

Glutagenics®

Form: Powder

Flavor:

Size: 9.16 oz. (259.8 g) Powder

Glutagenics® features three key ingredients—glutamine, deglycyrrhizinated licorice (DGL), and aloe gel—that are designed to support the integrity and healthy function of the gastrointestinal lining. A healthy gastrointestinal lining is essential for proper digestion, immune function, and overall health.* Glutagenics features: 3.5 grams of the amino acid glutamine, which provides both a source of fuel and precursors for growth to the rapidly dividing cells of the intestinal lining.*

- A concentrated extract of DGL to support gastrointestinal health.*
- A premium powder of decolorized inner leaf aloe to support a healthy intestinal lining.*
- Natural flavors for improved taste.

The licorice in Glutagenics has been processed to remove glycyrrhizin, which has been associated with sodium and water retention.

Ingredient	Amount Per Serving	% Daily Value
Serving Size:	1 Scoop (4.33 g)	
Servings Per Container:	60 (by weight)	
L-Glutamine	3.5 g	*
