Non-Medicinal Ingredients:

Isomaltooligosaccharides, sugarcane juice, apple fibre, olive oil, medium-chain triglycerides, natural flavours, silicon dioxide, xanthan gum, monk fruit extract, guar gum, and rosemary extract.

Recommended Use: Source of antioxidant that decreases the adverse effects of free radicals on

normal physiological functions and helps to reduce free radicals and lipid oxidation in body tissues. Source of antioxidant that helps to fight, protect, and reduce the cell damage caused by free radicals. Helps to maintain normal acid-base metabolism. Helps in the function of the thyroid gland. Helps to prevent potassium deficiency due to low dietary intake. Source of protein which helps build and repair body tissues. Helps in energy production.

Recommended Dose: Adults blend, shake, or briskly stir 2 level scoops (40 grams) of UltraClear™ RENEW with 237 mL (8 fl. oz.) of water daily or as directed by your healthcare practitioner. Take a few hours before or after taking other medications or natural health products.

Caution: Do not use if you are pregnant or breastfeeding, are taking antibiotics, nitroglycerin, or other potassium-containing supplements or with potassium-containing salt-substitutes. Ensure to drink enough fluid before, during, and after exercise. Consult a healthcare practitioner prior to use if you have an iron deficiency, kidney stones, a liver disorder or are taking blood thinners. Stop use if you develop symptoms of liver trouble such as yellowing of the skin/eyes (jaundice), stomach pain, dark urine, sweating, nausea, unusual tiredness and/or loss of appetite and consult a healthcare practitioner. Rare, unpredictable cases of liver injury associated with green tea extract-containing products have been reported. May cause nausea, vomiting, diarrhea, or abdominal cramps, discontinue use and consult a healthcare practitioner if these symptoms are severe. Consult a healthcare practitioner for use beyond 8

This product is non-GMO and gluten-free.

Contents sold by weight, not volume. Some settling may occur during shipping and handling. Shake container well before each use.
