

## UltraFlora® Intensive Care

**Form:**

**Flavor:**

**Size:** 60 CAPSULES

| <b>Medicinal Ingredients:</b> | <b>Each capsule contains:</b> |
|-------------------------------|-------------------------------|
| Lactobacillus plantarum 299v  | 10 billion CFU's              |

**Non-Medicinal Ingredients:** Potato starch, hypromellose, and magnesium stearate (veg).

**Recommended Dose:** Adults take 1-2 capsules daily or as directed by your healthcare practitioner. Take at least 2-3 hours before or after antibiotics.

**Recommended Use:** Provides live microorganisms to benefit health and to confer a health benefit. Helps to reduce flatulence (gas) and abdominal pain associated with flatulence (gas) in individuals with Irritable Bowel Syndrome (IBS). With daily use, helps to provide ongoing relief and manage IBS symptoms such as abdominal discomfort, gas, and bloating.

**Caution:** Do not use if you have a soy allergy. This product has come into contact with soy. Do not use if you are experiencing nausea, fever, vomiting, bloody diarrhea or severe abdominal pain or if you have an immune-compromised condition (e.g. AIDS, lymphoma, patients undergoing long-term corticosteroid treatment). Discontinue use and consult a healthcare practitioner if symptoms of digestive upset (e.g. diarrhea) occur, worsen or persist beyond 3 days. For best results, store in a cool dry place or keep refrigerated. Do not use if perma seal is missing. Lp 299v supplied by Probi.

<sup>1</sup>Colony Forming Units at date of expiration.
